

May 15, 2025

Dear MLS Families,

We're excited to share some big news with you! Over the past few years, Martin Luther School has been growing. We added one grade each year, and now we have a full high school! In a few weeks, we will celebrate our first ever graduating senior class.

As our school has grown, so has our need for space. That's why we're building a new school! We bought a property just down the road in Plymouth Meeting and are working hard to create a beautiful, modern school building for all of our students.

The new campus will be at [5200 Butler Pike, Plymouth Meeting, PA](#), just one mile from our current campus. We hope to move there in early or mid-2026. Here's what the new school will include:

- More classrooms and quiet spaces for learning
- A library, gym, and theater
- A track, a sports field, and large outdoor areas for learning and play
- A 23-acre campus
- Room for approximately 350 students in grades K–12

We'll keep you updated as we move forward. To learn more, visit: [www.gemmaservices.org/mlschool](http://www.gemmaservices.org/mlschool). Thank you for being part of our MLS family. We can't wait to grow together!

If you have any questions, please don't hesitate to contact us at [info@martinlutherschool.org](mailto:info@martinlutherschool.org).

With appreciation,
